

APPLICATION FOR A REVIEW OF DETERMINATION

If you do not agree with your redress outcome decision, you can apply for a review of the determination **using this form** as required under section 73 of the *National Redress Scheme for Institutional Child Sexual Abuse Act 2018*.

Please **complete this form** and **provide it** to the Scheme **by mail** or **online** through myGov **before the review end date as provided in your outcome letter**.

If you need more time, you can ask for an extension by calling us on **1800 737 377** or if you are overseas +61 3 6222 3455 (call charges may apply). Once we receive your completed form, we will start the review process.

Please tell us who is completing this form

- I am the Applicant
- I am the Redress Assistance Nominee*
- I am the Redress Legal Nominee*

* As the appointed redress nominee I am making this application for review on the applicant's behalf. I confirm that I have discussed this request with the applicant and that I have received their approval to make this application (if appropriate).

Please complete this section and sign the next page.

I am providing this form to the National Redress Scheme to request that the determination made on the application for redress (details below) **be reviewed** by the Operator or a different Independent Decision Maker.

RV number (required)	RV00 _____
Applicant's name: (required)	_____ (Please print the applicant's name in full):

I understand to request a review of determination, **I must return this form to the Scheme before the end of the review period** as set out in the redress outcome letter provided to me.

I understand that the person who will conduct the review will use the **same information** that was available to the original decision maker.

I acknowledge that after the review is completed, the following **may** happen:

- the redress outcome may stay the same,
- if an offer was made it may change, or
- a different decision may be made about whether the applicant is eligible for redress.

I understand **I can withdraw** this application for review **at any time before** the review is completed either by contacting the Scheme in writing or calling **1800 737 377**. I understand that if I withdraw this application for a review, the original determination will stand.

I understand that **I can still accept or decline the original redress offer before the end of my acceptance period** as provided in my outcome letter even if I have made an application for review. If I accept or decline the redress offer, I understand the request for review will be taken to have been withdrawn.

I understand that if I withdraw the application for review and have not accepted the offer by **the end of my acceptance period**, the offer will be considered to be declined. I acknowledge that I will not be able to make another application for redress under the Scheme.

Advice for appointed legal nominee

The appointed legal nominee **can still accept or decline** the applicant’s original redress offer **before the end of the acceptance period** even though an application for review has been requested. If the legal nominee accepts or declines the applicant’s original redress offer, the request for review will be withdrawn.

By signing this form, I acknowledge that I understand the effect of **requesting a review** of the redress outcome determination.
